| ☐ Broadacre Cropping | ☐ Construction |
| ☐ Pasture | ☐ Metallurgy |
| ☐ Horticulture | ☐ Water Filtration |
| ☐ Livestock Feed | ☐ Land Remediation |
| ☐ Compost | ☐ Other _____ |

6. ADDITIONAL COMMENTS

7. END USE VERIFICATION

Metamorf Biochar is sold subject to verification of the final end use. As a condition of purchase, the purchaser agrees to provide Metamorf with information regarding the application and use of the Biochar supplier. This information supports end-use verification requirements and generation of carbon removal credits.

- ☐ I Acknowledge and Agree
- ☐ I can't provide end-use verification and understand this will attract an additional \$55 per cubic meter

8. AUTHORISATION

I confirm that the information provided above is correct, that I am authorised to place this order on behalf of the organisation listed and understand title for the goods passes to the purchaser on dispatch from the collection site. Upon receiving this order form, Metamorf will provide an invoice with payment details.
